

Sensitive Minor Equipment

These are equipment items of a movable nature which are particularly vulnerable to theft and have a cost or fair value (for donate items only) between \$1000 and \$4,999.99. The state of Tennessee requires the university to record, **at a minimum**, the following specific items meeting these criteria as sensitive minor equipment:

- Binoculars
- Boat motors
- Boat trailers
- Boats
- Cameras
- Camera lenses (200 mm and larger)
- Canoes
- Computers
- CD Writers
- External computer storage devices
- External computer tape devices
- External computer modems
- Fax machines
- Ham radios and receivers
- Marine band transmitters and receivers
- Microscopes
- Musical instruments
- Oscilloscopes
- Printers
- Radio scanners
- External computer scanners
- Spectrum analyzers
- Televisions
- Two-way radio transmitters and receivers
- Vector scopes
- Video cameras
- Video recorders and players
- Waveform monitors
- All weapons
